Professional Automotive Grade Masking Paper

08 Poly-White Premium Poly-Coated White Masking Paper

Don't be Misled...Not all white paper is Poly-White!
Your Best Masking Paper Protections
"The Original Premium Poly-White Masking Paper"

- Superior grade of bleached white masking grade paper coated with poly on the under side
- Unsurpassed waterborne & solvent resistance from all of today's paints
- Tightly bonded paper to ensure no fiber linting
- Offers superior conformability for difficult angles and corners
- Bright white to allow better light reflection for color coverage
- Built-in wet strength for wet sanding procedures

Part #	Size
0806	145mm x 6
0812	293mm x 3
0818	440mm x 2
0836	880mm x 1

09 Poly-Blue Premium Poly-Coated Blue Masking Paper

Recycled Newsprint With A Poly-Coating on The Top Side

- Strong, poly bonded paper, prevents any solvent penetration from urethane and waterborne paints
- Has a corona treatment on the poly coating to allow paint to adhere
- Wet sand without re-masking
- Poly-coating on the outside leaves no linting
- Heavy construction for durability
- A More reasonable cost alternative to the Poly-White but not as pliable, and does not hold multi coats of paint as well

Part #	Size
0906	145mm x 6
0912	293mm x 3
0918	440mm x 2
0936	880mm x 1

50 Fluoro Treated White Urethane Grade Masking Paper

- Solvent resistant, fluoro treated to provide solvent penetration resistance
- Conformable - Easy to work and shape
- Bright white to allow better light reflection for color coverage
- Smooth finish to ensure no fiber linting

Part #	Size
5006	145mm x 6
5012	293mm x 3
5018	440mm x 2
5036	880mm x 1

Green Masking Paper

"Original Masking Grade Automotive Masking Paper"

- Designed for use in automotive masking
- Various sizes & lengths available

Professional Grade Plastic Sheeting

White Star Overspray Sheeting

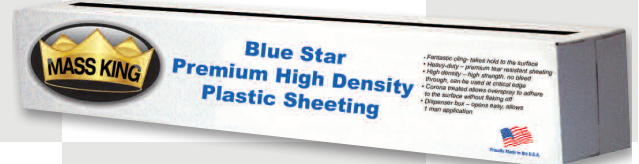

- Corona Treated
- Paintable
- Flake Resistant
- Great Cling
- Resists Solvents
- Dispenser Box

Part #	Size
1285	12' x 400'
1286	16' x 350'
1287	20' x 250'

Blue Star Premium High Density Plastic Sheeting

- Fantastic cling - takes hold to the surface
- Heavy-duty - premium tear resistant sheeting
- High density - high strength, no bleed through, can be used at critical edge
- Corona treated allows overspray to adhere to the surface without flaking off
- Dispenser box - opens easy, allows 1 man application

Part #	Size
1291	16' x 350'

Clear Star High Density Cling Plastic Sheeting

- Fantastic cling - takes hold to the surface
- Heavy-duty - premium tear resistant sheeting
- High density - high strength, no bleed through, can be used at critical edge
- Corona treated allows overspray to adhere to the surface without flaking off
- Dispenser box - opens easy, allows 1 man application

Part #	Size
1296	16' x 350'

True White Plastic Sheeting That Works Like Paper

- Unique Static Cling - Film Stays On For A Hands Free Cling
- Conforms To Tough Angles & Curves
- Strong - Good For Repositioning
- Solvent & Water Based
- No Bleed Through
- Lint & Fiber Free
- Flake Resistant

Part #	Size	Rolls/Case
16-10287	6" x 750' (145mm x 225m)	6
16-10288	12" x 750' (295mm x 225m)	3
16-10289	18" x 750' (440mm x 225m)	2
16-10290	36" x 750' (880mm x 225m)	1

Specialty Masking Products

KRASH SHIELD™

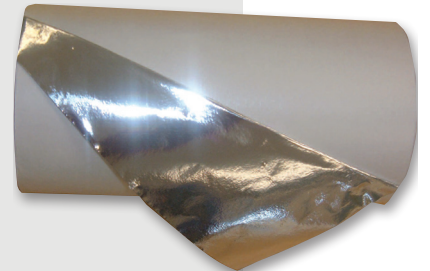

Part #	Size
KS36	36" x 100"

Self-Adhering 3 Mil Clear Plastic "Shields Interior of the Vehicle From the Elements"

- Covers cracked and broken windshields, door glass and sunroofs, along with inoperable or missing doors, trunks and hoods, to protect the interior from weather damage
- 3 Mil puncture resistant plastic film with UV inhibitor
- Clear plastic for easy visibility while moving vehicles
- Use on metal, glass, plastics and interior surfaces
- Adheres to clean and dry surfaces
- 3" core for easy dispensing

KRINKLE WRAP™

The Paper That Stays in Place When it's Krinkled! This Masking Paper is Specially Designed for Those VERY Difficult Items and Areas to Mask

- Foil-backed premium white masking paper. Foil holds to the contours while the paper absorbs the paint. No flaking!
- No need to use razor blades or knives while unmasking tape wrapped hoses and wiring, which can cause damage
- Fast and easy to mask and unmask
- Saves labor time and frustration levels
- Use on most difficult areas to mask, such as: Core Supports, Air Conditioner Lines and Compressors, Pulleys, Frame Rails, Radiator Supports, Hydraulic Lines, Brake Lines, Engine Parts, Interior Pieces and Much More...

Part #	Size	Unit Qty.
FM06	6" x 150'	3
FM18	18" x 150'	1
FMCOMBO	(3) 6" & (1) 18"	1

Aqua Film Water Soluble Film

- Removes easily by rinsing with water or simply peeling off dried film
- Traps dust and dirt under film and airborne dust on top of film
- No special equipment needed
- Easy to apply
- Remains Tacky
- Biodegradable

Part #	Size
LM01	Gallon
LM05	5 Gallon
LM15	15 Gallon
LM55	55 Gallon

Mixing Cups, Tools & Accessories

Mass King Quart Mixing Cup

- Mirror image mixing ratios - Allows reading of measurement from inside & outside cup
- Most commonly used mixing ratios
- Made of durable plastic

Part #	Size	Case Qty.
1232	Quart	100/box
1233	Quart Lid	100/box
1234	2-1/2 Quart	100/box
1235	2-1/2 Quart Lid	100/box
1236	5 Quart	25/box
1237	5 Quart Lid	25/box
1238	Pint Cup	100/box
1239	Pint Lid	100/box
1240	Half-Pint	100/box

500lb Parts Bench

- Steel tube construction with zinc plating
- No assembly required
- Poly foam padding on rails that wraps around the edge
- Single tube construction
- Extra long chains for full extension of stand

Part #	Description
